PROBE RESEARCH INC. - COVID-19 Survey - October 2021

23. Within Manitoba, there are major differences in the proportion of people who have been vaccinated and the rate of COVID-19 infections. Do you support or oppose public health officials enacting stronger restrictions in areas with higher number of cases and lower rates of vaccination?

24. ICUs at hospitals in Alberta and Saskatchewan are approaching capacity with patients who have severe COVID-19 symptoms. Do you support or oppose Manitoba accepting patients from these provinces at hospitals here?
